

Give your family the greatest advantage!

Family Character Workshop

*What our **children** experience with us carries into their future relationships.*

Join this activity-packed day of joyful learning.

- **Experience engaging challenges together and learn how to positively shape family beliefs**
- **Create a family mission statement and get clear on core family values**
- **Learn communication tools and habits to create more respectful relationships**
- **By the end of this day, you'll feel more aligned with your partner and more cohesive as a family.**
- **Grandparents, care-providers, and extended family are all welcome!**
- **This is the first day of a three-day series; future dates TB**
