YOU WILL LEARN AND EXPERIENCE STRATEGIES PROVEN TO:

- Create an engaging, intellectually challenging, classroom atmosphere
- Decrease classroom behavior issues and increase time on task
- Inspire purposeful, meaningful movement that enriches the learning experience
- Heighten motivation and upgrade your students' performance
- Boost your confidence and competence as a highly-effective teacher

BUILD A POSITIVE CULTURE

Build a classroom culture that breeds academic and personal excellence by establishing and maintaining an empowering classroom climate.

You'll learn proven methods to engage students with their learning, remember what they're taught, and develop a more can-do attitude about school and education.

Discover how you can create an intellectually engaging, down-to-business, and successful classroom culture built on safety, support, and belonging.
